

## H Mobility H Breeding Agreement

1. Stud Fee: The stud fee for the 2017 breeding season will be \$2500 per breeding. Multiple mare discounts and special fees are agreed to as noted here:
2. Payment: A non-refundable booking fee of \$500 per breeding is due upon signing of this contract in order to guarantee the above stated fee and a breeding position in this calendar year. The remainder of the stud fee will be paid as agreed upon by both parties as follows:
3. Method of Breeding: Breeding will be by artificial insemination, whether mare is on farm or owner receives semen via cooled, transported shipment. In the case of the transported semen, mare owner will also sign a transported agreement. In the case of on farm breedings, mare owner will be charged applicable board or training fee, and a \$100 collection and insemination fee each time mare is bred. The mare owner will pay vet directly for all necessary charges.
4. Live Foal Guarantee: A live foal is able to stand and nurse. If the mare does not deliver a live foal, the mare or a suitable replacement may be returned for the next breeding season. If the mare fails to produce a live foal, notice must be made in writing no later than 24 hours after delivery, or 30 days after the mare was due to foal, and a veterinarian's explanation must accompany the notification. There will be no rebreed fee in the event of a loss of foal. If, after a second breeding season, mare does not produce a live foal, a substitute mare will be suggested. This guarantee is subject to veterinarian approved prenatal vaccination practice. If mare is sold, this guarantee applies to next breeding season only.
5. This agreement constitutes the entire understanding of the parties; no oral agreement shall modify it in any manner. The term of this agreement shall only be modified by written agreement signed by both parties or changes initialed by both parties.
6. Signer represents that he/she is the owner/lessee of the below named mare and agrees to indemnify, defend and hold harmless the stallion owner and or Trowbridge's Ltd. In the event that ownership of authorization of the below signed customer is disputed.
